SUMMARY

Hi, I'm Manjil Rijal, a passionate web developer with a deep interest in technology. I strive to create innovative and user-friendly web solutions. Constantly exploring new advancements, I'm dedicated to improving my skill and learn something new

EXPERIENCE

Organizing Tech Trix

As a core team member and organizer of TechTrix , I gained valuable experience in teamwork, leadership, and event management. Responsibilities included

- Collaborating with team members to plan and execute the event, including logistics, scheduling, and marketing.
- Learning to adapt and thrive in a fast-paced, dynamic environment, where effective teamwork and leadership were essential to achieving our goals.
- Managing communication channels to promote the event and engage the tech community

EDUCATION

New Summit College | 2022-2026

Bachelors in Computer Science and Information Technology

Kathmandu Model College |2019-2021

+2 in Science
